

After successful activation of the access address to CM portal in format of your domain, the first steps will lead to setup of the Login screen

These settings may be customized on the login screen :

- Your company logo
- Welcome text
- Contacts at the bottom of the page

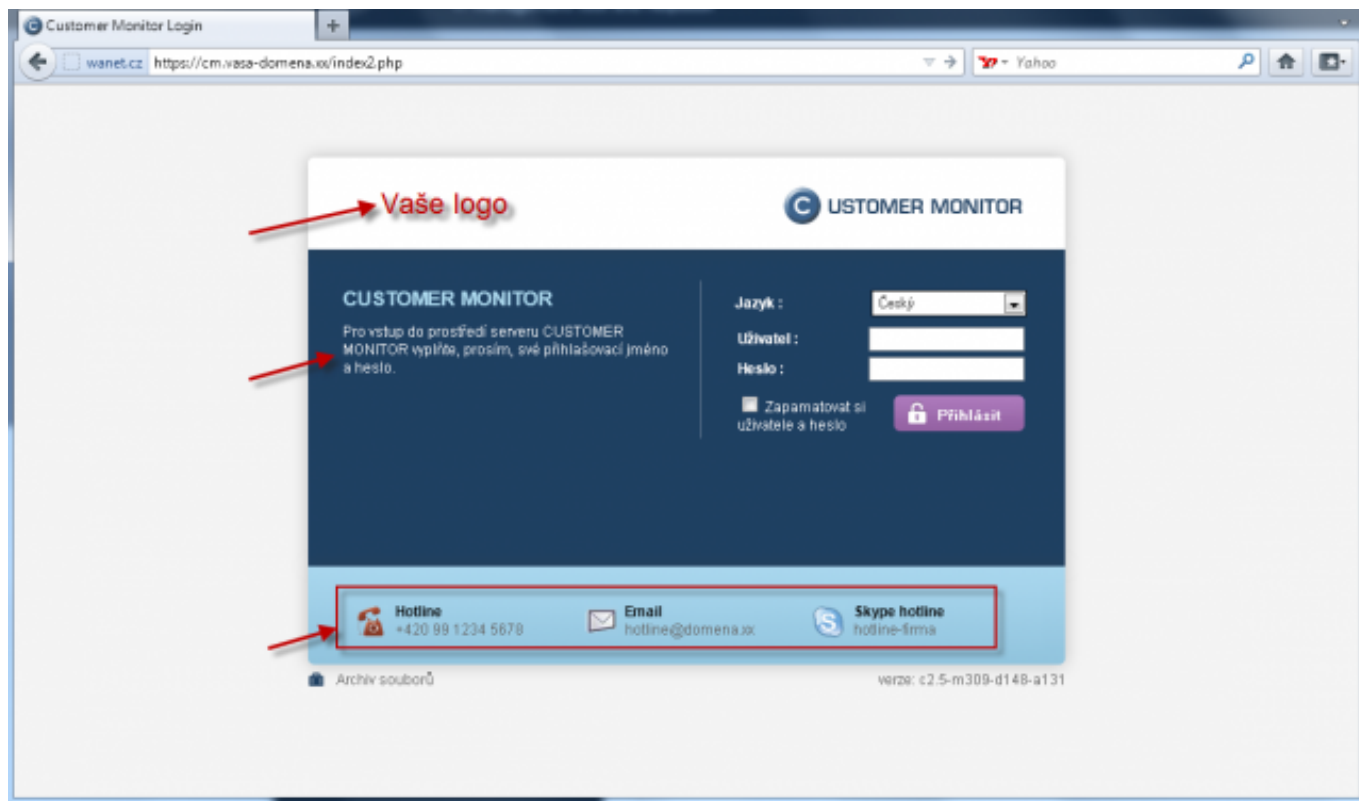

Image: Prispôsobiteľné polia na prihlasovacej obrazovke

Setup of the login screen data is performed under logged Maintainer in *Admin zone -> My profile, global settings -> tab Login screen*.
