

After successful activation of the access address to CM portal in format of your domain, the first steps will lead to setup of the Login screen

These settings may be customized on the login screen :

- Your company logo
- Welcome text
- Contacts at the bottom of the page

Setup of the login screen data is performed under logged Maintainer in *Admin zone -> My profile, global settings -> tab Login screen*.

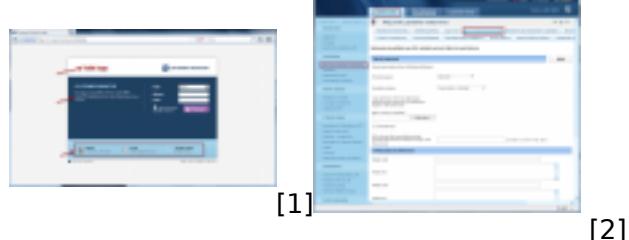

The screenshot shows the 'Môj profil, globálne nastavenia' configuration page. The 'Prihlásovacia obrazovka' tab is highlighted with a red box. The page includes sections for 'Hlavné nastavenia' (Main settings) and 'Úvodný popis pri prihlásovaní' (Login welcome message). It also features a logo upload section with a placeholder '(Max. rozmer: 180x60)'.
